

HealthSouth Rehabilitation Hospital of Jonesboro

Amputee Clinic

HealthSouth Rehabilitation Hospital of Jonesboro offers a monthly assessment clinic for patients with lower extremity amputations. Assessments are completed by:

- Orthopedic Surgeon
- Podiatrist
- Rehabilitation Nurse
- Prosthetist
- Physical Therapist

The goal of Amputee Clinic is to monitor the condition of patient's residual limb as well as the other lower extremity, assess patient's ability to use a prosthetic limb, and or other assistive devices in order to maximize the patient's ability to care for themselves.

Please call Ashley Watson at (870) 351-5955 for an appointment.
