Join Arkansas' most knowledgeable and talented health care providers in becoming a Certified Brain Injury Specialist (CBIS)! This nationally recognized credential is a great way to broaden your knowledge of brain injury, demonstrate your commitment to quality of care, and better serve your patients!

The course is offered for **FREE***.

Spaces are limited, so register today!

**Applicants must meet all requirements, cover the cost of their textbook (\$80), and provide their own laptop for the test.*
